3 Suggestion: use bots to spread the information rapidly across social media and every corner of the internet. Instagram, fakebook, tiktok, twitter, parler, etc... I do not know how to make that happen, but I know it exists.

WINTER begins 12/21, the winter solstice, a massively important day in the satanic calendar

12 + 21 = 33, one of the illuminati's all-time favorite numbers; the number of degrees of Freemasonry that exist...meaningful and important to THEM not me

On 12/20, the day before the winter solstice, a global Internet "blackout" is rumored to occur (key word = rumored; rumor, opinion, and hearsay are the lowest level of information) to keep people in the dark about the election

I just sent [u/EPic](#) a PM, we need volunteers to STEP UP!

NOW is the time to share the information firehose in bite-sized, digestible pieces because legacy media is COMPLETELY IGNORING THEIR DUTY.

It isn't easy, these are professionals who put in their livelihood to make information usable by everyone. That chart on the news, the video clips that show highlights.

Here we have the chance to join forces.

4 ▼ **If you like spreading the word in the real world...**

Check out this thread I posted! It's got thumbnail previews of a bunch of signs (including for TheDonald.win) I have made and posted for people like you, so you can print them at home to make your own signs.

<https://thedonald.win/p/11QI6LH4US/-today-is-were-not-gonna-take-it/c/>

I have had other people here tell me they are using these sign designs to **make stickers** to post IRL.

I also have another thread with more than 80 sign designs for TRUMP signs, Stop the Steal, Anti-Voter Fraud, Anti-Fake News, Anti-Lockdowns/COVID, and more!

<https://thedonald.win/p/11QRkC8Ngf/-to-everyone-on-thedonaldwin-say/>

(Be sure to scroll down to the comments, there are more sign links down there too!)

My original idea was for people to hang these signs in the windows of their vehicles to make Mobile Billboards of Truth, and drive around in their free time in BUSY PLACES at BUSY TIMES ▲
